Verbier

Background

Verbier is one of the top ski resorts in the world. There is something for everyone from 'long lunchers' to off-piste addicts. Beginners don't have to wander further than the gentle nursery slopes which start from the edge of town; intermediates are spoilt for choice with red and blue runs snaking around the 4 Valleys; advanced skiers have access to a number of controlled avalanche zones or, if you are more adventurous you can search out and hike the numerous couloirs and hidden descents that makes Verbier such a Mecca for freeriders. Whatever your taste - Verbier is there to be enjoyed. Have a great holiday.

Meeting Point Details

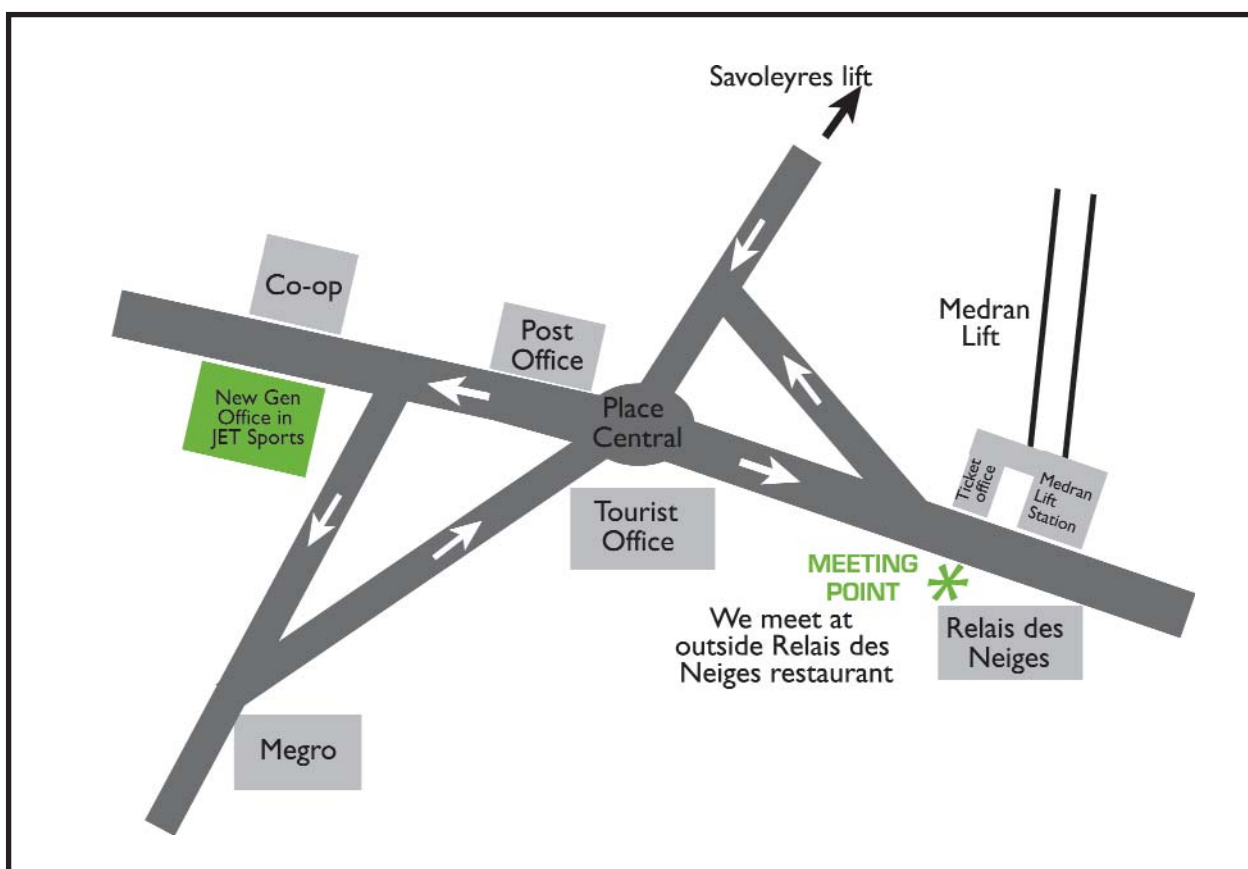

The New Generation meeting point is situated outside the restaurant 'Relais de Neige', opposite the main Medran lift. All our instructors wear bright green North Face jackets so they are very easy to see. Each instructor will have your name on a list. Please bring your confirmation details with you.
