

Chalet Casse Noix welcomes you

Chalet Casse Noix – Meribel, Nantgerel

Chalet Casse Noix is a beautiful traditional wooden chalet. It is fully equipped and furnished and has wonderful character. The chalet comfortably sleeps up to 10 adults. It is located in Nantgerel, in the Meribel valley, 500 metres from the Meribel bubble lift. Most of the time, it is possible to ski to within 100 meters of the chalet. There are stunning views of the surrounding mountains and valley, combined with the special ambience of an old, alpine village. The chalet is very family friendly and we have tried to think of everything to make your stay memorable and comfortable.

Catering

The chalet is hosted by Mark who will pamper you during your stay. Each day you will be provided with a wholesome cooked breakfast to set you up for your days skiing. When you return from the slopes you will have afternoon tea, with a delicious homemade cake awaiting you. Once you have had time to relax and revitalise yourself, a 3 course dinner will be served with wine in front of a log fire. A typical evening meal starts with a *Tarte tartin of caramelised leeks with sundried tomatoes* followed by a *Spicy fish stew with salmon and prawns served with basmati rice*. To finish, a *Tarte au citron served with mascarpone* followed by coffee in the lounge.
