Why are you are not doing Monday to Friday Lessons?

During the festive period, most of our guests are arriving on Fridays, Saturdays and Tuesdays. We have created a flexible schedule to look after as many of our regular clients as possible.

Can I book all the Christmas lesson online?

Due to technical restrictions you can only book 3 day courses which start on Sunday and Wednesday online. Please contact the office direct for all other variations.

I am arriving on a different day from most of your guests, can I join a group once it has started?

We will need to assess your level and the groups that we have running to see if we can look after you. Please contact our office to discuss. We will try our best.
