## Adult Ski Courses & Clinics

Level 1	This is my first time.	Adult Courses L1 - 5
Level 2	I have tried skiing before, on snow or on a dry slope. I have started to snowplough turn on the nursery slopes.	
Level 3	I am confident snowploughing on green and blue runs and my skis are sometimes parallel towards the end of the turn.	
Level 4	I ski parallel on a blue run, but may struggle when it gets steep, narrow or icy.	
Level 5	I can ski red runs when the conditions are good. I enjoy skiing fairly fast, but struggle when it gets bumpy, steeper, icy, or the snow gets deep.	
Level 6	I can ski all reds and get down most blacks as well, providing they're not too steep or bumpy.	
Level 7	I can ski most places. Black runs are no problem and I enjoy off-piste and itinerary runs.	
		Technical Clinics L 4 - 7
		PRO Courses L 5 - 7
		Skill Sessions L 5 - 7

## Snowboarding Course & Clinics

Level 1	This is my first time on a snowboard	Course L1-3
Level 2	I can stop and turn on both my toe & heel edge	
Level 3	I can ride and turn on blue runs	
Level 4	I am ready to ride all of the mountain	
		Clinic L3-4
		Skill L3-4

## Children's Courses

Whippersnappers	This is my first time	4-5 yr	6 - 12 Year Olds
Wallabies	This is my first time		
Arrows	I can ski a green run, controlling my speed, use a drag lift and might have tried a blue run		
Young Arrows*	Arrow standard but 5 - 7 yrs only		
Bombers	I can 'bomb' down blue runs and can sometimes get down a red run		
Rockets	I can parallel ski 'everywhere' - reds and beyond.		
NG Freeride Team	I have been in Rockets (or a similar level), I can parallel ski on blacks and I am now looking to develop my all mountain skills.	10 - 14 Year Olds
