Level & Course Guide (Vallandry)

Use this guide to work out skiing levels. Level videos are available online at www.skinewgen.com to assist in finding the right level.

Adult Ski Courses & Clinics

Level 1	This is my first time.	Adult Courses L1 - 5	
Level 2	I have tried skiing before, on snow or on a dry slope. I have started to snowplough turn on the nursery slopes.		
Level 3	I am confident snowploughing on green and blue runs and my skis are sometimes parallel towards the end of the turn.		
Level 4	I ski parallel on a blue run, but may struggle when it gets steep, narrow or icy.		Technical Clinics L 4 - 7
Level 5	I can ski red runs when the conditions are good. I enjoy skiing fairly fast, but struggle when it gets bumpy, steeper, icy, or the snow gets deep.		PRO Courses L 5 - 7
Level 6	I can ski all reds and get down most blacks as well, providing they're not too steep or bumpy.		Skill Sessions L 5 - 7
Level 7	I can ski most places. Black runs are no problem and I enjoy off-piste and itinerary runs.		

Children's Courses

Arrows	I can ski a green run, controlling my speed, use a drag lift and might have tried a blue run	6 - 12 Year Olds
Young Arrows*	Arrow standard but 5 - 7 yrs only	
Bombers	I can 'bomb' down blue runs and can sometimes get down a red run	
Rockets	I can parallel ski 'everywhere' - reds and beyond. I want to continue to work on my on-piste skills.	8 - 14 Yr Olds
NG Freeride Team	I have been in Rockets (maybe for a few years), I can parallel ski on blacks and I am now looking to develop my all mountain skills.	10 - 14 Yr Olds
